

**Support for a second rigid heddle on a Bergere loom.**

**Part list:**

- one set of support
- 4 x #8  $\frac{3}{4}$ "

Install this new set of support 1" in front of the original one so you will be able to move up and down the rigid heddle.

Use a  $\frac{7}{64}$  or  $\frac{1}{8}$ " drill to make the pre-drill holes in the side frame.
